**Co-ordinators: Mr Laird & Miss Jenkins**

Maths is an everyday part of life. At school we believe it making it fun, practical and relevant as much as possible. Here are some everyday tips for doing things outside of school to help your child / children:

⇒ **Shopping** - Talk about the cost of items, add up items and work out change. You could also look at estimating how much the total could be.

⇒ **Baking** - Weigh and measure ingredients (enjoy the proceeds though !!!)

⇒ **Food labels** - What do the numbers really mean? Look at different weights and volumes.

⇒ **Road signs and maps** - How far actually is a mile / kilometre?

How much further do we have to go?

⇒ **Crafts/ DIY projects** -

Measure, cut and do activities together.

## SAFETY NOTICE

Please ensure that your child wears a helmet if they are riding their bike to school.
