

Home Learning Tasks

Week Beginning: Monday 4th May 2020

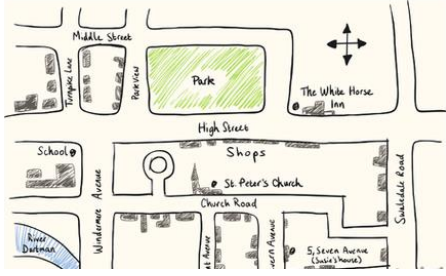

Good Morning Cherry Class!

Here are your **weekly** learning activities. I will contact you every day to update you on new activities or to remind you of what you could be doing.

Remember you can email me your work: cherry@suttongreenpri.cheshire.sch.uk

Reading	Work through your reading activity booklets – one comprehension per day. Read books on Oxford Reading Buddy and complete quizzes.
Maths	Complete the daily lessons provided by White Rose for Home Learning. Make sure that you complete the lessons in order, so you don't miss out any important skills needed for the next lesson. https://whiterosemaths.com/homelearning/year-4/ I have set us a new SumDog challenge, it is all about decimals! Good luck ☺
Topic	Our new topic is... The world around us . We will mostly be focusing on Science and Geography in this topic, learning about new concepts and developing some new skills. 
Writing	Write a leaflet to persuade people to visit Ellesmere Port after lockdown. Where can people visit? What is there to do? This video might help you to write persuasively : https://www.bbc.co.uk/teach/class-clips-video/english-ks1-ks2-how-to-write-a-persuasive-text/zkcfbdm
Optional Challenge	When you are outside, make a journey stick. Parents might find it useful to read this : https://growingfamily.co.uk/craft/journey-stick-kids-nature-crafts/ 

Daily Updates: This section will be added to daily before 9am.

Monday	<p>Daily White Rose Maths lessons - https://whiterosemaths.com/homelearning/year-4/</p> <p>To kick start our new topic, I would like you to have a go at this BBC Bitesize lesson: https://www.bbc.co.uk/bitesize/articles/zjdm6v4</p> <p>You will learn all about contour lines, keys and symbols on maps. There are videos to watch and a quiz to complete. Afterwards there is a fun activity as well: make your own contour island. I have downloaded the instructions file for you and added it to the school website.</p>
Tuesday	<p>Daily White Rose Maths lessons - https://whiterosemaths.com/homelearning/year-4/</p> <p>Watch this video to learn about maps: https://www.youtube.com/watch?v=DSnVCV4uGGQ</p> <p>I would like you to have a go at drawing a sketch map of the streets around your house, or around school. Have a look at this one for some ideas:</p> 
Wednesday	<p>Daily White Rose Maths lessons - https://whiterosemaths.com/homelearning/year-4/</p> <p>Have a go at this English lesson: https://www.bbc.co.uk/bitesize/articles/zr93bdm</p> <p>There are funny poems and fun activities to have a go at.</p>
Thursday	<p>Daily White Rose Maths lessons - https://whiterosemaths.com/homelearning/year-4/</p> <p>Today I would like you to have a go at this BBC Bitesize lesson: https://www.bbc.co.uk/bitesize/articles/zvxthbk</p> <p>You will learn all about states of matter (solids, liquids and gases). There are videos to watch and a sorting activity to complete. Afterwards there is an investigation to see what the different states of matter are like for water.</p>
Friday	<p>Daily White Rose Maths lessons - https://whiterosemaths.com/homelearning/year-4/</p> <p>Watch the video here to learn about the water cycle: https://www.bbc.co.uk/bitesize/topics/zkqg87h/articles/z3wpp39</p> <p>There is a short sorting activity to complete on the website. Afterwards have a go at making your own water cycle, following these instructions: https://www.mobileedproductions.com/blog/how-to-make-a-water-cycle-in-a-bag</p>
