

Home Learning Tasks

Week Beginning: Monday 11th May 2020

Good Morning Cherry Class!

Here are your **weekly** learning activities. I will contact you every day to update you on new activities or to remind you of what you could be doing.

Remember you can email me your work: cherry@suttongreenpri.cheshire.sch.uk

Reading	Work through your reading activity booklets – one comprehension per day. Read books on Oxford Reading Buddy and complete quizzes.
Maths	Complete the daily lessons provided by White Rose for Home Learning. Make sure that you complete the lessons in order, so you don't miss out any important skills needed for the next lesson. https://whiterosemaths.com/homelearning/year-4/ Additional resources to help with Maths can be found at: https://www.bbc.co.uk/bitesize/tags/z63tt39/year-4-and-p5-lessons/1
Topic	Our topic is 'The World Around Us'. During your exercise or time outdoors, try to find out about the plants and animals that you see. Find out the names of these plants, perhaps you could make a poster to show your discoveries?
Writing	Now that you have learned all about how the water cycle works, could you write me an explanation? I have uploaded an example. Try to include: <ul style="list-style-type: none">• Rhetorical questions (e.g. Have you ever wondered where rain comes from?)• Fronted adverbials (e.g. Finally,)• Subordinate clauses (e.g. When it is raining,)
Optional Challenge	I hope you enjoyed making your journey sticks last week. The photographs that you sent looked brilliant. This week I would like you to have a go at some quizzes and games to test your knowledge and memory! Here are some that I like: https://www.natgeokids.com/uk/play-and-win/games/quiz-whiz-animals/ https://www.natgeokids.com/uk/play-and-win/games/bug-memory-game/

Daily Updates: This section will be added to daily before 9am.

Monday	<p>Daily Maths lessons – White Rose and BBC Bitesize links above.</p> <p>Have a go at creating your own landscape art. The video below is a tutorial to help: https://www.youtube.com/watch?v=v368l7nAltE</p>
Tuesday	<p>Daily Maths lessons – White Rose and BBC Bitesize links below: https://www.bbc.co.uk/bitesize/articles/zbcnf4j - activities and worksheets https://whiterosemaths.com/homelearning/year-4/ - learning video</p> <p>Today I would like you to focus on some Geography skills. Learn about latitude and longitude here: https://www.bbc.co.uk/bitesize/articles/zkm2xyc</p> <p>Remember that if you can't print the sheet, I am happy for you to adapt the lesson in any way to help you do complete the learning. You could sketch the map out into your book and then label the "invisible lines".</p>
Wednesday	<p>Daily Maths lessons – White Rose and BBC Bitesize links below: https://www.bbc.co.uk/bitesize/articles/zkhwgp3 - activities and worksheets https://whiterosemaths.com/homelearning/year-4/ - learning video</p> <p>Learn about vertebrates and invertebrates: https://www.bbc.co.uk/bitesize/articles/zr4kd6f You could use toy animals to sort the animals too if you like:</p> 
Thursday	<p>Daily Maths lessons – White Rose and BBC Bitesize links below: https://www.bbc.co.uk/bitesize/articles/zif2xyc - activities and worksheets https://whiterosemaths.com/homelearning/year-4/ - learning video</p> <p>Learn all about designing here - https://www.bbc.co.uk/bitesize/articles/z4bnf4j</p> <p>I wonder if you could design a bedroom in a shoebox? Use paper to design your walls and furniture!</p> 

Friday

Daily Maths lessons – White Rose and BBC Bitesize links below:
