

Home Learning Tasks

Week Beginning: Monday 18th May 2020

Good Morning Cherry Class!

Here are your **weekly** learning activities. I will contact you every day to update you on new activities or to remind you of what you could be doing.

Remember you can email me your work: cherry@suttongreenpri.cheshire.sch.uk

Reading	Work through your reading activity booklets – one comprehension per day. Read books on Oxford Reading Buddy and complete quizzes.
Maths	Complete the daily lessons provided by White Rose for Home Learning. Make sure that you complete the lessons in order, so you don't miss out any important skills needed for the next lesson. https://whiterosemaths.com/homelearning/year-4/ Additional resources to help with Maths can be found at: https://www.bbc.co.uk/bitesize/tags/z63tt39/year-4-and-p5-lessons/1
Topic	Our new topic is the Sutton Green Olympics! Your challenge for this week is to plan a new and improved sports day! Think about the races you would like to happen, if we should have different teams. Let me know what you think should change!
Writing	Take a look at the picture here: https://pobble365.com/out-of-the-blocks Use the story starter to write your own story about a race! I can't wait to read it.
Optional Challenge	Could you plan family Olympics? What races or challenges would you like to include? Parents might find it useful to look here for ideas: https://childrensministry.com/family-olympics/

Daily Updates: This section will be added to daily before 9am.
