

# Home Learning Tasks

Week Beginning: Monday 22<sup>nd</sup> June 2020

## Good Morning Cherry Class!

Here are your **weekly** learning activities. I will contact you every day to update you on new activities or to remind you of what you could be doing.

Remember you can email me your work: [cherry@suttongreenpri.cheshire.sch.uk](mailto:cherry@suttongreenpri.cheshire.sch.uk)

<b>Reading</b>	Work through your reading activity booklets – one comprehension per day. Read books on Oxford Reading Buddy and complete quizzes.
<b>Maths</b>	Complete the daily lessons provided by White Rose for Home Learning. Make sure that you complete the lessons in order, so you don't miss out any important skills needed for the next lesson. <a href="https://whiterosemaths.com/homelearning/year-4/">https://whiterosemaths.com/homelearning/year-4/</a>
<b>Topic</b>	Our new topic is... The Good Life! All about sustainable living and finding out where our food comes from. I wonder if you can grow any of your own plants? You might like to try to grow sunflowers or cress!
<b>Writing</b>	<a href="https://www.pobble365.com/the-sunflower">https://www.pobble365.com/the-sunflower</a> Have a go at the writing activities throughout the week!
<b>Optional Challenge</b>	Maybe you could try to make your own soup? These recipes all have very few ingredients. I am going to attempt the broccoli soup! Delicious! <a href="https://www.bbc.co.uk/food/collections/4-ingredient_soups">https://www.bbc.co.uk/food/collections/4-ingredient_soups</a>
