

Home Learning Tasks

Week Beginning: Monday 6th July 2020

Good Morning Cherry Class!

Here are your **weekly** learning activities. I will contact you every day to update you on new activities or to remind you of what you could be doing.

Remember you can email me your work: cherry@suttongreenpri.cheshire.sch.uk

Reading	Work through your reading activity booklets – one comprehension per day. Read books on Oxford Reading Buddy and complete quizzes.
Maths	Complete the daily lessons provided by White Rose for Home Learning. Make sure that you complete the lessons in order, so you don't miss out any important skills needed for the next lesson. https://whiterosemaths.com/homelearning/year-4/ A super effort on SumDog last week! I have set you a new challenge related to this week's Maths.
Topic	Our new topic is Next Year so over the next two weeks I will be setting activities to help you to get ready for Year 5.
Writing	The writing challenge is to write a letter to your new teacher! I have included a template for Monday's activity.
Optional Challenge	Design your perfect classroom. You can have a go at completing this activity online: http://the7sisters.co.uk/free/pages/resource/modelling/classroom/phaser/ OR You could design your classroom by drawing a floor plan OR You could create a shoebox classroom!
